ULTRA COMPACT LENS SERIES

One of the industry's smallest and lightest 5 megapixel lenses with ruggedized, waterproof body for robotics and demanding environments.

Machine Vision in Focus

SMALL, TOUGH & WATERPROOF

The Kowa JC5MC-WP ultra compact lens series is perfect for robot vision and features a ruggedized, waterproof unique mechanical design to guard against strong vibration and shock.

The perfect choice for harsh environments and where space is limited.

PERFECT PARTNERS FOR SONY IMX250/252/264/265 SENSORS
